

HUGK12 Activity

Title: *Students All Over the World*

Author: Lauren Denkins- Taffe

DCPS Standards:

Goals:

1. Expose the students to other students around the world.

Objectives:

1. For students to be exposed to a different culture and way of life and to create a curiosity in other parts of the world.

Prerequisite Knowledge

The Middle East is a fantastic place. Often times it is misconstrued in the media but the culture is wonderful. Dubai, UAE has always been a place for the rich to vacation but due to recent investment to make it the French Riviera of the Middle East has sparked more interest in the country.

Dubai is known for its fantastical and far out hotels, shopping, and activities. Being on a dessert climate, there are dessert safaris, golfing on hotel rooftops, and skiing to name a few.

Essential Questions:

1. How does Dubai remind you or your country? How is it different?
2. What country would you like to visit and why?

Laboratory Materials:

- pictures
- LCD projector
- Laptop with internet access

Differentiating Instruction :

English Language Limited (ESL) students should have no problems with this activity.

Rationale:

This activity is designed to have students become familiar with students and places in other countries.

Research Activity:

Students will be provided a brief overview of my trip to Dubai thus far.

EVALUATION AND ASSESMENT:
